

THANKS FOR BUYING PROBLEM SOLVERS MISMATCH 1.2 ADAPTERS!

Thanks for purchasing the Problem Solvers MisMatch Adapter 1.2®. We've enjoyed the challenge of mating the latest version of Shimano's I-Spec® levers (this version calls itself "I-Spec II") to our beloved SRAM® shifters on one elegant little machined alloy bit. We also make MisMatch Adapters for the previous Shimano I-Spec A and I-Spec B, check 'em out on problemsolversbike.com.
